

Piedmont Council, BSA
Health and Safety Committee
Pre-Camp Health Status Questionnaire

Date: _____ Name of Camp: _____

Unit Type/Number: _____ Home Council: _____

Leader Name (who completed the form): _____

Important:

Leaders (to the best of their ability) will be asked to verify that the Health Forms and Histories have been reviewed and all medications are accurately listed. Be prepared to turn in the **Pre-Camp Health Assessment Questionnaire** upon arrival at camp.

Instructions:

Prior to attending camp, we request that each unit leader review/ask the following questions with all of your unit adults and youth individually. We request that you do this prior to departing your home location. We will review this procedure upon arrival at camp.

Assessing the Health Status of Your Unit/Campers

Ask the following questions, does this apply to anyone in your unit?

1. Fever (100 degree Fahrenheit or greater)? Yes or No
2. Sore throat? Yes or No
3. Vomiting? Yes or No
4. Diarrhea? Yes or No
5. Cough? Yes or No
6. Muscle aches or lethargy? Yes or No
7. Stomach cramps? Yes or No
8. Nausea? Yes or No

Notes:

If an individual in the unit answered “yes” for fever or vomiting or diarrhea alone OR to any two (or more) of the other symptoms, **do not** allow that individual to travel to camp. If they have questions about the individual’s health or symptoms, contact their healthcare provider.

If any individual has been diagnosed by a healthcare providers with a different disease – such as strep – have them follow their healthcare provider’s recommendation.

Scout Camps are adventurous, active and frequently wilderness environments. There is no provision for lodging other than in a un-air conditioned tent. Please assure the health and safety of all of our campers by assuring that only Scouts and Scouters who are health come to camp.
