

## Piedmont Scout Reservation (Camp Bud Schiele) – Range Reservations

Live firing conducted at the Piedmont Scout Reservation (PSR) Ranges and any off sight shooting activities through the Piedmont Council are designed to provide access to a shooting facility where Scouts, and other individuals can gain the Knowledge, Skills, and Attitude necessary to safely and successfully handle and shoot a firearm or bow.

Ranges are available on a scheduled basis for BSA chartered groups, 4-H clubs, Girl Scouts, Junior ROTC leadership camps, Hunter Safety groups, NRA training courses, military, law enforcement agencies, and other organizations approved by the Piedmont Council Shooting Sports Committee.

All ranges must be under supervision of a Rangemaster or NRA Range Safety Officer (RSO) and Instructors approved by the Piedmont Council Shooting Sports Committee. The following people are a part of the committee and are approved to open the Ranges at Piedmont Scout Reservation (Camp Bud Schiele). You are required to have one of the following people or another approved Range Safety Officer present to serve on each Range reserved for the duration of the program in addition to an NRA Instructor for the appropriate discipline.

4. Obtain a copy of the PSR Range Rules from the Piedmont Council website under Shooting Sports Information.
5. Reservations at Piedmont Scout Reservation Shooting Sports Ranges must be approved by the Shooting Sports Chairman or designee.
6. The Council Office approves the reservation and your event/program may proceed. You will receive an e-mail notification with camp rules.

## **Upon Arrival at Camp:**

1. The RSO and Instructor running your program will present their current credentials and then obtain the SOP, and firearms for the program from the Ranger or the Campmaster on duty.
2. The unit contact, NRA Instructor(s), and Campmaster will meet at the range to review credentials and confirm the planned program. Targets/Clays, and Personal Protective Equipment are at the ranges if desired to use the councils. All RSOs and NRA Instructors must have a current set of credentials on their person while on the range.
