**Note:**

The Piedmont Scout Reservation is owned and operated by the Piedmont Council, Boy Scouts of America. The use of the property **must** be arranged through the Council Office, **NO EXCEPTIONS. All reservations must be approved using this form and a signature is required.** The Piedmont Scout Reservation is open year round for off-season camping and is only closed a couple of weekends during the year for holidays and special Scouting functions. Please be aware that although most of the facilities are available to Scouting organizations at little or no cost, many of the facilities do have a cost that must be paid prior to arrival at camp. These costs are usually nominal and are charges that cover the expenses such as lighting and/or heating/air.

If you have any questions about the use of The Piedmont Scout Reservation or any of the facilities, please contact Kara Miller at the C.C. Kimbrell Scout Service Center at 704-864-2694.
